

OH&S Policy Statement

The Organisation remains aware of its responsibilities relating to OH&S matters throughout its business activities.

By Management Review and staff training the Organisation ensures that its performance relating to OH&S matters is subject to continual improvement.

The Organisation complies with all OH&S legislation and regulations applicable to its activities and to any other requirements to which the Organisation may subscribe in particular in relation to the provision of environmental, mechanical and electrical design consultancy services.

This OH&S Policy, as documented in this Manual, is maintained by regular review and is communicated to all of the Organisation's employees, suppliers and sub-contractors.

This OH&S Policy is made available to all interested parties including members of the general public.

This OH&S Policy is subject to regular Management Review in order to ensure that it remains relevant and appropriate to the Organisation's activities.
